Our dedicated team makes it their business to keep up to date with changes in the legislation so that we can provide you with the best possible guidance regarding Landlord & Tenant issues.

Dilapidations is also a major issue between Landlords and Tenants and our Building Surveying Department is well placed to offer consultancy advice which will help avoid conflicts or manage any difficulties arising between the two parties.

With Case Law becoming increasingly complex, it is important that expert advice is sought as soon as possible to avoid significant and often unnecessary costs. We deal with all types of property on rent review matters and can give quality advice gained through years of experience.
