## Expert Witness in Courts, Inquiries, Arbitrations and Tribunals

The witness box is a demanding and challenging environment. Even less formal procedures present dangers if you are unused to them.

In representing you, we combine:

- ▶ Detailed working knowledge of the subject at issue
- ▶ Long experience of preparing and presenting evidence to the best effect
- ▶ The ability to handle cross-examination

Our chartered surveyor expert witnesses command the courtroom skills needed to ensure that your interests are properly presented.
